

Precision Oil Funnel Instructions

Safety Information

⚠ Caution!

- Keep work area clean and well lit. Cluttered or dark areas invite accidents.
- Stay alert, watch what you are doing, and use common sense when using this product.
- Use safety equipment appropriate for your work. Always wear eye protection. If you will be adding oil to a hot engine, carefully avoid all heated surfaces or wear appropriate hand protection.
- Do not overreach. Keep proper footing and balance at all times.
- Be careful of the placement of this funnel, as certain vehicle fluids are corrosive and may damage your vehicle's paint.
