

Trailer Hitch Lock

Instructions

Read Carefully Before Use | Keep for Future Reference

UM-TPA-0005-V1

1. Unscrew the lock cap and unlock the lock body using the key. Reattach the cap afterward.

2. Insert the hitch pin into the trailer hitch and hitch receiver. Install the provided O-rings on the pin as needed to reduce rattling, improve fit, and protect against dust and moisture.

3. Install the R-pin to secure the hitch pin in place.

4. Push the lock body onto the hitch pin until you hear a click. Then pull and twist the lock body to ensure it is fully engaged and cannot be removed.

Disclaimer

Read this disclaimer completely and carefully before proceeding with the rest of the manual content.

1. Product Modifications

Any modifications or alterations to OMT products void any warranties and may result in damage or injury. OMT shall not be liable for any damages resulting from such modifications or alterations.

2. Compliance with Laws

Customers shall be liable for ensuring that the use of OMT products complies with all applicable laws and regulations in their respective jurisdictions. OMT assumes no responsibility for any violations of laws or regulations resulting from the use of OMT products.

3. Correct Use

Always use OMT products only as directed in the accompanying manuals. Failure to follow instructions may result in injury or damage.

Always ensure the assembly, installation, operation, maintenance, or repair of OMT products is carried out by a competent person.

Always make maintenance regularly throughout OMT products' lifecycles; you have the liability to keep the products operating as intended.

Always wear appropriate protective gear.

4. Third-Party Products

OMT shall not be liable for any damages or losses resulting from the use of third-party products in conjunction with OMT products. Customers shall refer to the third-party's guidelines or/and warranties (if any) for any third-party products used.

5. Limitation of Liability

OMT shall not be liable for any direct, indirect, punitive, incidental, special, or consequential damages to property or life, whatsoever arising out of or connected with the use or misuse of OMT products. In no event shall OMT's liability exceed the value of the products sold.

6. Warranty

Refer to the sales page for the warranty information.

This disclaimer states the entire obligation of OMT with respect to OMT products. If any part of this disclaimer is determined to be void, invalid, unenforceable, or illegal, including but not limited to the warranty disclaimers, liability disclaimers, and liability limitations set forth above, the invalid or unenforceable provision will be deemed superseded by a valid and enforceable provision that most closely matches the intent of the original provision and the remainder of the agreement shall remain in full force and effect.

Safety Information

Warning

- This product is intended exclusively for securing trailer hitches. **DO NOT** use it to secure other items or for non-towing purposes.
- This product is **NOT** a toy. Keep children and unauthorized users out of reach.
- **DO NOT** drill, cut, or force the lock open.
- **NEVER** tow with a partially inserted or loosely secured hitch lock. This could cause the trailer to detach during travel.
- **FULLY** insert the pin into the lock body. Ensure the locking mechanism is **COMPLETELY** engaged before towing.
- Store keys in a secure and accessible location at all times.

Package List

- Trailer Hitch Lock × 1
- Keys × 3
- R-pin × 1
- O-rings × 24

Installation

Caution

- Inspect the trailer hitch lock for wear, rust, corrosion, or mechanical damage before each use. Replace the lock immediately if any damage is detected.
- Ensure the pin diameter and length match your trailer hitch receiver specifications.
- Confirm that the pin diameter and length match your trailer hitch receiver specifications.
